

You Satisfy the Hungry Heart

Holy Week 2014

A retreat offered in the context of the Cosmic, Planetary, and Human evolutionary story with the Triduum Liturgy as focal to the Reflection.

Sponsored by the Dominican Sisters in Committed Collaboration and the Earth Council.

Grounded in our common identity as planetary citizens, you are invited to pray, work, and celebrate with us these Holy Days as we feed our hunger, to “bend our beings”* around the transformational energies let loose in the Universe by the life, death, and resurrection of the Christ

*Most of the great spiritual traditions recognize “prayer and work” as essential to a deepening spiritual formation. ...this rhythm greatly enhances the power to think, to understand, and bend one’s being around truths not usually accessible at our ordinary level of awareness.

- Cynthia Bourgeault, The Wisdom Way of Knowing
