

Join Us !

2014 marks the 100th Birthday of the Father of Eco-Spirituality and a Pioneer of the Environmental Movement. Berry brought us a marvelous telling of The Universe Story and invited us to take up The Great Work of Creation Care.

Join his student and con-frère, Father Joe Mitchell, Founder of EarthSpirit Center in Louisville, KY, and Berry Forum Convener, Dr. Danny Martin, to explore Berry's legacy and discover how it can enlighten our own way of being in communion with our Living Earth.

Eucharist to follow the day of Contemplative Inquiry at 5:45PM. All are welcome.
