The Prairie offers quiet beauty conducive to personal prayer and reflection. Please provide for your own special dietary needs.

Come...

- ✧ deepen your awareness that the Universe is the primary revelation of the Divine
- ✧ awaken a consciousness of the sacredness of Earth and her cries for help at this critical time
- ✧ experience the single integral community of Earth – oak trees, deer, squirrels, humans – and ponder their rights to be recognized, revered, and supported by us.

*“There is a great book:
the very appearance of created things.
Look above you! Look below you!
Note it. Read it... Can you ask for a louder
voice than that?”*

*--St. Augustine, Sermon 126,
The Essential Augustine, adapted.*

“We need to go to the Earth as the source whence we came and ask for its guidance. We cannot discover ourselves without first discovering the Earth and the imperatives of our own being.”

--Thomas Berry
