

# Divest and Reinvest Central

## A Listing of Known Religious Divest and Reinvest Efforts

Religious groups around the globe are taking action on divestment and reinvestment - and we've compiled a comprehensive listing of those efforts.

If we've missed a faith based divestment effort - in the United States or internationally - please share it with GreenFaith's Executive Director, Rev. Fletcher Harper, at [revfharper@greenfaith.org](mailto:revfharper@greenfaith.org).

### Key for the "Decision" column, below:

- 1—Divest own fund(s), or rules out ever investing in fossil fuels
