

The Institute for Theological Partnerships of the University of Winchester  
in association with GreenSpirit presents:

# THE Universe Story

Understanding and Experiencing the Unfolding Story

A Conference at the University of Winchester  
Friday 29th June - Sunday 1st July 2018

**The Universe Story is the story as revealed by science, from the origin of the Universe 13.8 billion years ago to today. It is a story that helps us to understand our place in this astonishing, emerging universe and it inspires us to dream of a better world.**
