

Climate Dystopia in Asia Lecture Series

York University
Toronto, Ontario, Canada

[York University Centre for Asia Research \(YCAR\)](#) is organizing a lecture series on climate dystopia in Asia and is interested in inviting scholars whose work speaks to a broad range of climate issues in any Asian country.

YCAR will support the speakers' travel and stay in the Toronto area and will pay a modest honorarium.

Dates available for Climate Dystopia in Asia lecture series:

September 30, 2024

February 24, 2025

March 31, 2025
