

# The United Nations Environment Assembly - UNEA 5.2

## FAITH FOR EARTH DIALOGUE

## Faith for Earth Coalition: Religion-Science Consortium

25 February 2022; 4pm-5.30pm East African Time (GMT+03:00)

The session aims to discuss the nexus of religion and science and its definition for the purpose of the Religion-Science Consortium within the Faith for Earth Coalition. The speakers will identify the work plan and strategy of the Religion-Science Consortium, translating these into achievable targets and goals for faith actors to aspire towards.
