

HARVARD DIVINITY SCHOOL'S
PROGRAM FOR THE EVOLUTION OF SPIRITUALITY
presents **“Sacred Biodiversity”** by **Angela Manno** at their
SPIRITUALITY AND THE ARTS Conference, April 23rd at 4pm BST

I'm delighted to be able to share my art with you in an illustrated slide talk I will be giving through **Harvard Divinity School's Program for the Evolution of Spirituality** at their upcoming conference, **“Spirituality and the Arts.”** My presentation entitled, **“Sacred Biodiversity,”** based on my series, *Sacred Icons of Threatened and Endangered Species*, will take place on **Wednesday, April 23rd at 4pm BST**. This **fully hybrid** conference is accessible to all with **no registration fees**. As part of the hybrid format for this conference, the Program for the Evolution of Spirituality has also compiled a **virtual gallery of artwork** from its participants.

Please **click on this link:** <https://pes.hds.harvard.edu/2025-conference-spirituality-and-arts> to learn more and to register. Hope to see you there!
