**This weekly online space is a contemplative one for anyone drawn to join us. We send the zoom invitation each week.**

- We are online for 30-35 minutes, 20 minutes of which is shared silence.
- The Session is bookended with brief texts of relevance including poetry, prayer, and music.
- We are aware that we share silence together in a time when we are called to choose Earth as we transition from human centredness to 'Earth community', and in light of Evolutionary wisdom to discover our place in the story of the Universe .
- Our online sessions interweave silence, ecology, spirituality and science.
- We do not teach meditation. You are welcome to join us with your own established practice.
- Some of us meditate in the Christian meditation tradition wccm, some of us in the Centering prayer tradition, but you are welcome to sit in silence with us, given your own contemplative practice.
- **[INTERNATIONAL TIMEZONES - 3pm in Manila, 8am in London and Ireland, 9am in France and in Berlin, 12.30pm in New Delhi, 3.00am in NY.]**
